

# Practice Junior – International Abacus Competition | Season 5

*A Global Platform for Your Child's Bright Future*

*Registration Link : <https://practicejr.com/user/signup.html>*

---

Dear Parents,

At **Practice Junior**, we believe every child has amazing potential.

Our **International Abacus Competition – Season 5** is a wonderful opportunity for your child to sharpen mental math skills, build confidence, and experience the joy of healthy competition — all from the comfort of home.

This competition is open to children from **age 5 to 15**, and students from many countries participate every year 

---

## Competition Overview

**Practice Junior International Abacus Competition – Season 5** is a global online championship designed to:

- \* Discover young math talents worldwide
- \* Strengthen calculation speed and accuracy
- \* Promote confidence and healthy competition
- \* Inspire interest in mathematics

This individual-level competition allows each participant to compete within their age and skill category and win international recognition and awards

---

## Why Should Your Child Participate?

This competition helps your child:

- Improve **speed, accuracy & concentration**
- Build **self-confidence**
- Develop a love for **mathematics**
- Learn time management & focus

- Gain **international exposure**
- Win exciting **trophies, medals & certificates**

---

### Who Can Participate?
